

# Intellect Detector Pack 2.4

## Release Notes

20.12.2016 AxxonSoft releases version 2.4 of the Intellect Detector Pack collection of video detection tools. This version is intended for use with version 4.10.2 of the Intellect PSIM.

## New features and improvements

1. A library of fire detection has been added.
2. A library of smoke detection has been added.
3. A number of minor errors have been fixed and overall stability of the product has been improved.

For information about compatibility of Intellect Detector Pack with Intellect versions, refer [here](#).
